USB 2.0 RG2301N, 2301S or 2301GE-LAN

1-Port USB LAN or CAT 5e/6/7 Extender System

Quick Start Guide

Package Contents:

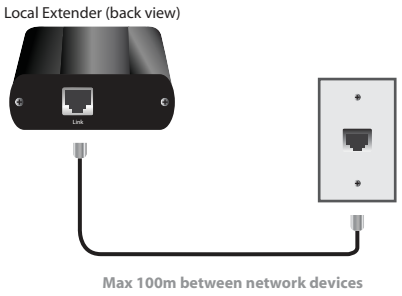
- USB 2.0 RG2301N/S/GE-LAN Local Extender
- USB 2.0 RG2301N/S/GE-LAN Remote Extender
- USB 2.0 Cable
- AC Power Adapter
- Country Specific Power Cord
- Quick Start Guide

EXTREME USB®

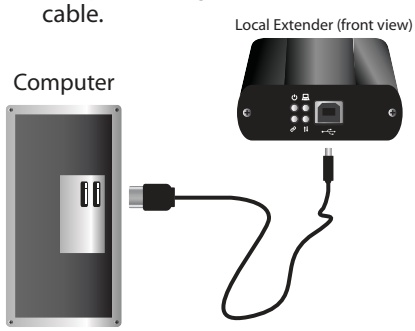
Before you get started, ensure that all the drivers required for your USB device(s) are installed.

Network Connect

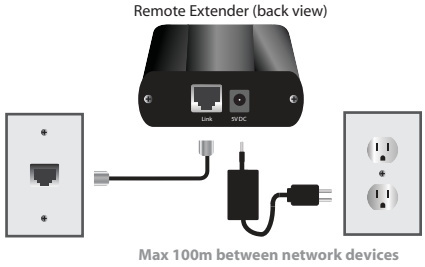
1. Place the Local Extender where desired and connect a CAT 5e/6/7 patch cable from the Link port (RJ45) to a network switch or wall network port connected to a switch.



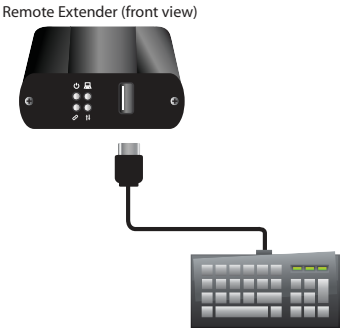
2. Connect the Local Extender to the computer using the included USB cable.



3. Place the Remote Extender where desired. Connect a CAT 5e/6/7 patch cable from the Link port (RJ45) to a network switch or wall network port connected to a switch. Connect the Remote Extender to the AC adapter and plug it into a power source.

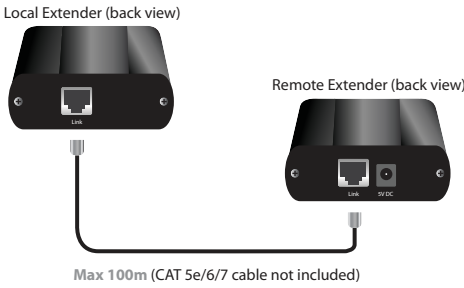


4. Attach USB device to the Remote Extender.

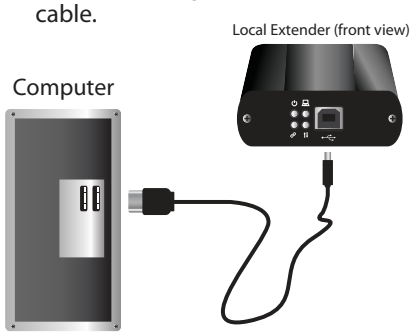


Direct Connect

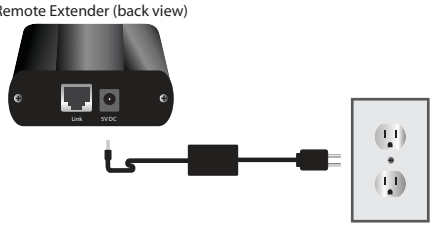
1. Place extenders where desired and connect the CAT 5e/6/7 extension link cabling to the Link ports (RJ45) on the Local and Remote Extenders.



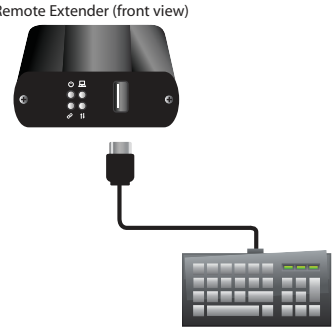
2. Connect the Local Extender to the computer using the included USB cable.



3. Connect the Remote Extender to the AC adapter and plug it into a power source.



4. Attach USB device to the Remote Extender.



Certification and Compliance

FCC Radio Frequency Interference Statement Warning
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

CE Statement
We, Icron Technologies Corporation, declare under our sole responsibility that the USB 2.0 RG2301 Series, to which this declaration relates, is in conformity with European Standard EN 55022, EN 61000 and EN 55024.

IC Statement
This Class B digital apparatus complies with Canadian ICES-003.

WEEE Statement
The European Union has established regulations for the collection and recycling of all waste electrical and electronic equipment (WEEE). Implementation of WEEE regulations may vary slightly by individual EU member states. Please check with your local and state government guidelines for safe disposal and recycling or contact your national WEEE recycling agency for more information.

Product Operation and Storage
Please read and follow all instructions provided with this product, and operate for intended use only. Do not attempt to open the product casing as this may cause damage and will void warranty. If a power supply is required for operation, use only the model provided with this product. When not in use, product should be stored in a dry location between -20°C and 70°C.
