- Country Specific Power Cord
- Quick Start Guide

# Certification and Compliance

## **FCC Radio Frequency Interference Statement Warning**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

## **CE Statement**

We, Icron Technologies Corporation, declare under our sole responsibility that the USB 2.0 RG2304, to which this declaration relates, is in conformity with European Standard EN 55022, EN 61000 and EN 55024.

## **IC Statement**

This Class B digital apparatus complies with Canadian ICES-003.

## **WEEE Statement**

The European Union has established regulations for the collection and recycling of all waste electrical and electronic equipment (WEEE). Implementation of WEEE regulations may vary slightly by individual EU member states. Please check with your local and state government guidelines for safe disposal and recycling or contact your national WEEE recycling agency for more information.

## **Product Operation and Storage**

Please read and follow all instructions provided with this product, and operate for intended use only. Do not attempt to open the product casing as this may cause damage and will void warranty. Use only the power supply provided with this product. When not in use, product should be stored in a dry location between -20°C and 70°C.
